Dear Ann,

Thank you for asking me to come and visit you and your family next month. It is a great idea.

I am really interested in visiting new places. I like museums and old churches very much. I also like visiting art galleries – there are so many fascinating things to see there. I know there is one in your town. Can we visit it? You say that there isn't a sports centre in your town but is there a swimming pool? I enjoy swimming a lot and I love diving. Is there also a place to eat fish and chips? Fish and chip shops are great!

The only problem is that I don't know what to take with me: warm shoes, a jumper, boots? What's the weather like in your area? In my town it rains a lot and that's why I always carry an umbrella with me. And what about other things? For example, a camera?

Please send me a leaflet about your town and a street map.

One last question – how old is your sister, Gina? I want to bring her a present. Would she like the new Destiny's Child CD?

See you soon!

The only people there are two young brothers. They live alone in their small house on the beach. In the game, you are one of the boys – Josh or Frank. Josh loves the beach very much and he is good at windsurfing. Frank is interested in doing quizzes and playing guessing games.

One day, they meet a strange man. He collects old things. He needs to find a small statue from the Stone Age and he asks the boys for help.

You decide to help the man. First, you talk to the man and learn about the lost statue. Then, with your brother, organise a trip around Neverland to look for it. On the way you play games, answer questions, do quizzes, visit different places and talk to different people. Collect objects and souvenirs – they are very useful and help you find the lost statue and win the game.
